**THE HATFIELD COMMUNITY ECUMENICAL LENTEN SERIES IS BACK!**

Our Ecumenical Lenten Series this year focuses on the "I AM" statements in the Gospel of John for the sake of intentional reflection on and proclamation of God becoming flesh. The Gospel of John reminds us — which, during Lent, is an especially important thing to remember — that to believe in Jesus is to hold the fullness of Jesus' humanity and Jesus' divinity together. This Lenten series helps us imagine that what Jesus puts after "I AM" in the Gospel of John shapes our reality.

**SIXTH SUNDAY IN ORDINARY TIME ~ Reflection by Rev. Leonard N. Peterson**

From a grade school playground to the graduate seminar to the corporate boardroom we know there are rules to follow. Not always appealing but necessary. Otherwise there is chaos small and large. It takes a certain maturity to decode the logic inherent in those rules, and then the admission that they must be obeyed even if we don't like it. It takes a good dose of maturity and wisdom to realize that compliance with the rules is the only way to be fully human, cooperative with others, making for a civil society. However, once you and I accept Jesus as the only genuine Way, Truth and Life, we consequently can build a faith-based society. It's that simple.

Early on in His ministry, Jesus told His disciples that He had not come to destroy the Law that they knew so well, but to fulfill it. The gospel passage we hear today shows us what that fulfillment looks like. From the basic command "Do not kill," meaning bodily death, comes the much more expansive meaning of the term to include the "murder" of a person's good reputation; or the "killing" of a person's self-esteem by using slander and insult against them. Another clear development, or "fulfillment" is the case of literal adultery expanded to mental adultery found in lust.

I find Our Lord's interesting instruction added at the end of this weekend's passage: "Let your 'yes' be yes and your 'no' meaning 'no'." We are so inundated these days by public figures whose speech is deceitful so often. Their words are so often prone to equivocation, that is, using ambiguity to mislead or hedge the truth.

In light of today's Gospel selection, I believe it would be fair to ask: "Did Jesus know that what He was asking of His hearers would be difficult to obey? That it would be tantamount to heroism to live His way in 2023?" Surely He did then and certainly now. That's the cost of discipleship.

I might confidently add that while the price is high nowadays, so it really was the same back then. But, as experience proves, the inner peace that observance brings is priceless. Just ask any of the saints.

There was once a popular expression among seminarians of my time that went like this: "Keep the rule and the rule will keep you." I hesitate to admit that often it was said with a dash of cynicism. But objectively speaking, the slogan is no less than salvific. What do you think?

God love you and give you His peace.

**RESPECT LIFE MINISTRY**
