**WHEN A LOVED ONE LEAVES THE CHURCH**

In this presentation, we'll explore the many cultural and social factors that have created this situation, which is so heartbreaking to parents and grandparents who mourn the loss of their family members' interest in religious practice. We'll also examine constructive ways that we may be able to intervene to reduce this decline, and to attract young people to reconsider returning to the Catholic faith they were raised in, or to perhaps join the Church for the first time. It's important that we reach out to re-evangelize effectively to these young people if we want to pass on the treasure of the faith to the next generation. To register for this presentation, please contact Angela.McClellan@stmariagoretti.net or 215-721-0199 x202.
