- **The Mission**

- Cradles to Crayons provides children from birth through age 12, living in homeless or low-income situations, with the essential items they need to thrive – at home, at school and at play. We supply these items free of charge by engaging and connecting communities that have with communities that need.

- **The Model**

- Cradles to Crayons collects new and nearly new children’s items through grassroots community drives and corporate donations. Donations are then processed and packaged by volunteers, and are distributed to disadvantaged children across the state through a collaborative network of social service agencies and school partners.

**Donate:** As a way to further engage your children in the experience of giving back, please clean out your closets and bring new or gently-used children’s items with you to donate when you visit. Be sure to check the donation guidelines, including the lists of what they can and cannot accept, plus the current “most needed” items list available in the narthex or at <https://dev-cradles-to-crayons.pantheon.io/philadelphia/donate-goods/items-we-accept/>
