

Welcome to the St. Maria Goretti Parish Religious Education Program

Below is a brief description of our mission and our Programs.

Catechesis is a sharing of the teachings of Jesus Christ in such a way that each young person comes to know about and believes in God, enters a relationship with God and is transformed by Him. Everything children learn in our programs plants seed on rich soil for building a strong relationship with our Lord, Jesus Christ, and a foundation in faith that will last a lifetime. All children in our programs learn in a safe and supportive atmosphere. We offer several opportunities to meet the needs of our parish families:

Traditional Faith Formation Classes

The St. Maria Goretti PREP Program offers religious education classes to children in grades 1 through 7 who attend public schools or private, non-Catholic schools. We have dedicated Catechists who work with students at each grade level to form their Catholic identity by gathering as a community to learn, prepare for the reception of the sacraments of First Penance, First Holy Communion and Confirmation, pray the Rosary, attend Adoration of the Blessed Sacrament, go to Confessions and Stations of the Cross.

We use Our Sunday Visitor, Alive in Christ series for all grades.

Classes are offered September through April and families have a choice of two sessions:

Monday – 4:30 PM to 5:45 PM

Monday – 6:15 PM to 7:30 PM

Each child will need to pass the mid-term and final assessment test to move on to the next grade level.

Sunday Family Prep

This program is different than our traditional PREP classes because it is for **both parents and children**. Families are asked to attend the 9:30 AM Mass on Sunday. After Mass the family will proceed to the education center for a light snack, then the children will attend a class similar to a traditional PREP class while the parents attend their own class. The parent classes will cover the same topic that the children are learning at an appropriate adult level as well as the following chapter that parents will teach at home. This is a partial Home based catechesis program. The classes meet twice a month at St. Maria Goretti and parents are asked to complete one chapter a week at home when they are not gathering. Each child will need to pass the mid-term and final assessment test to move on to the next grade level.

Home-Based Catechesis

Home-based catechesis is the work of Catholic parents/guardians who undertake the formal religious education of their own child(ren) in their home. The parish curriculum is used and each child will need to pass the mid-term and final assessment test to move on to the next grade level. Families are also expected to attend sacraments, parish devotions and special celebrations with all PREP families.

Adaptive Faith Formation Class

Our adaptive class is for any child between grades 2 and 6 who has been diagnosed within the Autism spectrum. The classes are held during Sunday Family PREP time following the 9:30 Mass. The children will learn about our faith and be prepared to receive their Sacraments during their second year of study. If your child is not on the Autism spectrum but does have special needs please contact us. We will find a way to share our faith with them!
