## Choosing Your Confirmation Name

The tradition of taking a saint's name in Baptism is an ancient practice in the church. The patron saint becomes a role model for the person and an example of how the Gospel can be lived in a practical way. In many Catholic countries today, one's saint's name day is celebrated instead of one's birthday. Saints are heroes of the faith who lived their life as examples of faith, hope, and love. We venerate them as we do members of our own families who have died and whom we continue to honor with their pictures in our homes.

The Sacrament of Confirmation gives us the Holy Spirit to strengthen and encourage us to live out our baptismal commitment to love and serve others, especially those most in need. We can either be confirmed with our original baptismal name or take a saint's name, who will also be a patron saint for us.

Research the saint's name you choose for Confirmation. You may use the Internet for interesting information on your saint and to find a picture. **You will do a brief presentation to your classmates about your saint name.**

The purpose of this saint project is to make the students familiar with the saint whose name they have chosen as their Confirmation name. Therefore, if they choose to change their Confirmation name, I understand that they will need to complete another Saint Project. (Please help guide them with their choice of name.)
